

The 100'No' Challenge

Just collect informed decisions

TEXT: "I got a financial mentor this year and I'm now working on the most exciting project I've ever seen. The people I'm working with are straight up killing it (making fortunes), and I want you to just look at this video and listen to the details so you can tell me if I've lost my mind. I can't even sleep. Call me after."

OR ...

"Hey XX. I'm committed to making 2021 the best financial year of my life, so I went and got a mentor. He's made 10's of millions, he has written 4 best-selling books on building wealth and entrepreneurship, and he is very good at helping people. I was just on a call with him about a business project he's inviting people into and I got a recording. I want you to watch this video and tell me if I lost my mind or not. Can you watch it today?"

Or invite them to watch the 3:00 PM (ET) or 8 PM (ET) live Zoom at **pinnaclezoom.com**.

If they have any interest, get them on the phone with your 3rd party upline expert. They will either answer their questions and close them. **You will get 5 Yeses before you get 100 No's!**

(Then, you can highlight the benefit features while inserting stories.)
