E-Signatures. Sign your electronic documents the legal way. Receive e-signatures if they are available for the document in your state. Up to 10 per membership year.

Collection Letters. A provider law firm can help collect money that's owed by writing collection letters, up to 4 per month. For additional letters, a flat fee of \$75 each applies.²

Designated Consultation. A provider lawyer will advise you on business legal matters including tax, patent, trademark, copyright, or antitrust. Receive up to 3 annual designated phone consultations each membership year, of up to 30 minutes in length.

Letters or Phone Calls. A provider lawyer can provide further help with business legal matters by sending letters or making phone calls on behalf of your home business. Receive any combination of 12 letters or phone calls per membership year, each on a unique business matter, with 1 follow-up communication if a response is received from a third party. Additional letters or phone calls, beyond the plan limit, can be obtained for a \$75 flat fee each.³

Discount on Additional Services. For additional legal services not outlined in the member contract, you may receive a discount from your provider law firm's standard hourly rate that will reflect the same discount rate offered under your personal legal plan. Your provider lawyer will review these fees prior to engagement.
